Betsy,

Attached is a draft briefing paper for the Administrator on the ARWWS OU Proposed Plan for Anaconda. I only very slightly revised it from the March 28 version. Please let me know if you have any questions or if you need additional information.

Thank you,

Joe

Hi All...This is great news! The template looks to be the same as what we used when we briefed Adm Wheeler in person.

Joe – Are you expecting headquarters to raise any issues? It would be nice to get the paper circulating at HQ, so we can hit the July 15th release date, but I will send a note to Jim Woolford about the timing issues since the milestone meeting is June 26..

Betsy

Good morning Betsy and Sandy,

I have confirmed with Barry, Peter and Steven that we can move forward with a paper briefing for the Administrator on the Anaconda decision. So please use the template sent out to draft the briefing materials and send it to me so I can coordinate the review. Please let me know if you have any questions.

I have included the template in case you need it.
